I meant to write to you in August to say how much we enjoyed our Barn Dance. The band and caller were all brilliant and gauged the abilities ( or not ) of our guests to perfection. Thank you so much. We would have no hesitation in recommending the Woodsiders. Happy Christmas to you all.

Another fabulous night of merriment, thank you so much Mike and the Woodsiders! You had us laughing our cowboy boots off all night - so much so that I couldn't believe we had to take a break half way through the first set - especially when all of us are Salsa, Ballroom and Tango dancers and we should be used to dancing all night! I couldn't have wished for a better party - thank you so much

**Dear Mike,**

**I would just like to thank you, Luke, Stephen and Barbara for helping to make our party such a fantastic success. Everyone had a ball and it was a lot to do with the band and Barbara being such a brilliant caller. Some of us didn't get to bed before 3am but I think it will be a party we won't forget in a hurray! Shame we won't have the tent to throw another one! We are always recommending you to our brides and party throwers so I hope you get lots of bookings for next year,**

**Kind regards, Mandy**

**Hi Mike**

**What a treat it was for us to see everyone having such a great time at our birthday bash on Saturday night. The band were brilliant, as was your caller who really succeeded in getting people to put their drink down and join in! Even people who never normally dance at parties were taking part and having fun. Our guests went home smiling saying what a great idea it was and we have loads of memories to treasure, thank you!**

Hi,

Just a quick email to say a **MASSIVE** thank you for playing for playing on Saturday. We had a really wonderful time and have had so many people saying how much they enjoyed it too! The music was fab and Charles was a great caller. He put people at ease and really knew how to ensure people had fun and knew what they were supposed to be doing too! We also appreciated the band playing 'happy birthday' for Tom!

We won't be forgetting that party in a hurry, and we will definitely be recommending you to others.

Thanks again,

Emily

The Barn Dance was originally organised because 2 of my family had never been to a Barn Dance so I set about organising one on 5th April but it not only turned to be fantastic for them, but a reunion for many followers, and we raised £240 for Cystic Fibrosis and all made so successful because the band and caller were brilliant and made it so easy for even the novices to follow, So good I have booked a repeat for next year. Thank you to all of you

**Dear Chris,**

***The Woodsiders were excellent, especially the caller, who managed to keep the dance floor fairly full, as well as being a part-time babysitter of one of the young guests! We were very pleased with their performance and couldn't fault them. And all the feedback we received was positive, everyone seems to have enjoyed the evening. You're more than welcome to use my comments. Don't worry about passing them on to the band as I shall write to them to thank them direct (well, via your postal address).***

***Many thanks once again, I would certainly recommend your service and the band.***

***Best wishes,***

**Saturday 15th February 2014 (School PTA social) with caller Charles Haskell, Mike, Luke, Patrick & Derek.**

**Hi Mike**

**Just to let you know everyone thoroughly enjoyed the barn dance, I have not heard a single mutter about anything, and I hope that we can make it an annual event.... Some people have asked for another one in summer, I think that may be a little too soon but, having said that,**

everyone loved it so much we will have to look at booking another one at a sensible time.

Thanks to you, and all your band, it was a very relaxing and fun evening.

Kind regards

Jean
