Hi Mike,

We would just like to thank your group SO much for giving us such a fun evening of lovely music and dancing. We have had such lovely feedback from so many who joined us on Friday.

We hope you will be able to join us at another event in the not too distant future.

Comments The band played at our recent street party. They were enthusiastic and welcoming, so people felt very relaxed about joining in. Instructions were friendly and clear. The booking process was simple and quick and contact with the band to make the final arrangements for the day were effortless. Many thanks!

Hi Mike

We had lots of people asking us in church this morning for contact details, as they thought the band and Amanda the caller were brilliant. Hopefully you will get some bookings coming your way, as people start to party more.

It was a magical evening.

Amanda
