Martin and the band were amazing last night! Thanks so much for organising them to play at our barn dance. It was exactly the kind of vibe and energy that we wanted and everybody had a lot of fun.

Great job!

### Sept 2024 - Party

Thank you so much for Saturday evening. Barn dancing was a huge success. Everyone said how much they enjoyed it, what a great atmosphere it created and everybody could join in. One person even said it was the first time he had danced in 50 years, so all credit to you all for such excellent music and calling. It was all I hoped it would be.

Huge thanks  
Julia

**March 2024 - 50th Birthday**

Dear Mike

I just wanted to thank you and your band for making my party on 23<sup>rd</sup> March such a wonderful evening!

All the members of your band (sorry I can't remember their names), were so lovely and friendly, they even played happy birthday when everyone sang to me. Please can you pass on my thanks to them all.

All my guests had such a fab evening and I have received so many messages since of thanks and how much fun they all had.

I can honestly say I have never laughed so much at a party, watching my friends trying to remember the dances was absolutely hilarious and so much fun! Your caller did an excellent job keeping everyone in the right place at the right time. I have some great photos from the evening.

Thank you once again, my 50<sup>th</sup> birthday party was my best party ever, I will never forget it!

I wish you and your band members all the very best and hope to see you again soon.

Kind regards

Sue Holdstock

## **March 2024 - 18th Birthday**

Dear Mike and Anna,

Thank you so much for making Arabella's birthday celebration one to remember. All the girls and boys had a fantastic time and this was evident from their engagement in the various dances. I think Sue pitched the dances (and her explanation) just right for the age group.

Arabella also really enjoyed playing with Anna and Ted in the interval. It made it all the more special.

Many thanks once again.
