

# Recommendations 2020

Sadly during 2020 most of our barn dances were postponed due to Coronavirus. In April we produced a 'lounge' barn dance for a conference we were due to play at. Here is a comment we caught on our TV when the conference was running. [You can see the video on this link.](#)

This was so much fun with my 5 year old and we had lots of giggles trying to follow the moves. Thank you so much!

Thanks to Mike and the Woodsiders for making our wedding reception so special at Lee-On-The-Solent.

We wanted to get the children dancing, as well as our family and friends, which you did, and I really appreciate the special ceilidh rendition of the 'Hokey Cokey' for my autistic son, who was so so happy.

The feedback has been awesome. You made the afternoon. Thank you.
