📄 Thank you so much for playing for my 30th birthday ceilidh! 😊 We had so much fun and after these 18 months of no large social events, it was so lovely to do something that felt quite normal! I had loads of people comment on how good the band were, and you did a great job of encouraging people to get involved! Very easy to follow the instructions and always hilarious watching kids trying to get involved! 😂 Thank you for making it such a great event!

Thank you to Mike and Woodsiders band for playing at our wedding at Skylark. The guests had no idea what we had in store for them but they all loved the band and all got stuck into the dances. Ceilidh is a great way to get people up and dancing and the Woodsiders did very well to show everyone what to do, thanks very much, we had a great time!

We restarted barn dancing on 24th July
